About the artist

When I was a young boy my parents gave me the opportunity to learn to play the violin. However it became not my profession, I like to play the violin and most of all in combination with other musicians.
I have played in amateur orchestra's and little "bands" like a klezmer band.
Now we have a duo ViP (Violin/Piano) and a trio Haberyv (Violin/Piano/Clarinet) and we play for fun as well for several occasions.
And so I like to compose on the computer with all the possibilities of nowadays and we play some of my compositions.
I hope you like my compositions.
Please write me your comment, critical and also hopefully joyful.

friendly greetings from Titus
